## What we say about the firm's legal practice in Spain

### Intellectual property

Within [Intellectual property](#), Grau & Angulo is a third tier firm,

*Grau & Angulo, one of the market's most highly respected IP boutiques fields specialises on a wide range of contentious issues, from patent litigation, to trade mark, designs and copyright litigation, as well as licensing and unfair competition. ' Their technical ability and longstanding experience in this sector are world-class'. The team most notably obtained one of the highest financial compensations for Adidas in Spain on a major trade mark infringement case. Philip Morris also instructed the team on trade mark enforcement issues spanning Latin America, Canada and Portugal.*
